### **Youth Services Unit Launches New Website**

The Youth Services Unit of the Sheriff's IMPACT Division has created a website to educate and inform the public about its mission and philosophy. This unit is one of three components of the IMPACT Division, and is dedicated to the reduction and suppression of youth violence and delinquency in the communities within Sacramento County.

Information regarding the unit's mission statement, programs and scheduled events can all be found by visiting [www.ssdysu.org](http://www.ssdysu.org). The public is encouraged to look into this website and see the unique approach that is being undertaken in Sacramento County to combat many complex issues facing the young men and women in our communities.
